

# BRIAN GOR

## Software Developer

### Profile

I am an energetic, ambitious and motivated software developer who has nurtured a mature and responsible approach to any task that I undertake, or situation that I am presented with. I have strong technical skills as well as great interpersonal skills, enabling me to interact and work well with a team. I am eager to learn more in order to grow and further improve my skills.

### Objective

To be effective to work within a dynamic, challenging and rewarding software company that will give me an opportunity to utilize my acquired skills, apply my academic knowledge and learn more through experience.
